## GOULD TAKES BUCKFIELD 66-60 TO CAPTURE WESTERN MAINE "S" TOURNEY

To Meet Eastern Maine Winners in Waterville Saturday, March 14  
Gould Academy's Dan Vogt and Wayne Davis carried the scoring load for the Huskies at Auburn Saturday afternoon as the top-seeded Bethel club turned back Buckfield High, 66-60, to capture the Western Maine Class S basketball championship in Edward Little High School's gymnasium.

Gould will meet Jonesport-Bears, Eastern Maine winners, for the state title at Colby College, Waterville, on Saturday afternoon, March 14, at 1 o'clock.

It was the first hoop title for a Gould since 1947, when a Huskie combine nabbed the Western Maine Class M title before bowing to Patten Academy in the state final.

Gould came into the Class S tourney seeded first and reached the finals by dumping Rangeley High, Buckfield made the title game with a one-point upset win over Forest Hills High of Jackman.

Ahead by a slim 20-20 count at the half, Vogt turned in 21 of his game-high 33 points in the second half while Davis chipped in six and combined with 6-6 Bob (Animal) Fairburn to provide crucial rebounding in the third stanza.

The Bucks, down by as many as 18 points in the third quarter, roared back to outscore Gould 22-13 in the last eight minutes of play, but missed their shot at an upset with frigid foul-shooting.

Gould's Danny Vogt was selected to receive the Western Maine Board of Basketball Officials' Johnny Mesena Memorial Trophy as the outstanding player and sportsman in the tournament.

## DATES FOR REGISTRATION OF NEXT FALL'S KINDERGARTEN PUPILS ANNOUNCED

The dates and times for registration of children who will be entering kindergarten next fall in S. A. D. 41 that have been agreed upon by the principals are as follows:

Andover: March 17, 9:11-30 a. m.  
Locke Mills: March 18, 8:30-11:30 a. m.

Elm: March 19, 9:11-30 a. m.; 12:30-3 p. m.

Woodstock: March 23, 8:30-11:30 a. m.

There is general agreement among leaders in the field of child growth and development that the earlier a possible school-adjustment difficulty can be detected in a child, the greater is the chance for correcting, or at least alleviating, the difficulty. Among the identifiable areas that may relate to learning difficulties are: (1) lack of gross motor coordination; (2) lack of fine motor coordination; (3) faulty adjustment to basic life experiences; (4) marked language disorders; (5) excessive anxiety or fear.

With these thoughts in mind, the Elementary Guidance Department of S. A. D. 41 has initiated a new program for pre-kindergarten registration. This new program is an at-

## HOWE TO SEEK DEMOCRATIC NOMINATION FOR SHERIFF

Alton L. Howe, 47, of Watford, announced Wednesday he will seek nomination in the June primaries as a Democratic candidate for the office of sheriff of Oxford County.

Howe served as a deputy sheriff from 1964 through 1969. He is presently employed in the transportation-maintenance department for School Administrative District 44 (Telstar), but maintains status as a per diem deputy.

Alton L. Howe

The candidate is a native of Norway, graduating from Norway High School in 1942 and serving in the U. S. Army. After military service, Howe was warden for the State Department of Inland Fisheries and Game.

He left the state post and for a number of years was a route sales man for Cushman Baking Company. In 1964, he joined the Oxford County Sheriff's Department, working under GOP Sheriff Stephen Conant of Norway.

Howe was retained as a deputy sheriff under Democratic Sheriff Lester C. Horton and incumbent W. Stanley Haskell. He served as resident deputy in the Bethel area and for two years as jailer at South Paris.

Besides experience as a game warden and a deputy sheriff, Howe has attended numerous training sessions sponsored by the Federal Bureau of Investigation, as well as riot control training schools coordinated by the Cumberland County Sheriff's department and Portland Police department. He also has served as a defensive driving instructor and has conducted numerous courses throughout the county.

The candidate is a member of the State Law Enforcement Association, and a past member of the Maine Sheriff's Association. He is the current President of the Western Maine Law Enforcement Chapter. He is a member of the Mundt Allen Post, American Legion, of Bethel, and a member of the Round Mountain Grange, Albany. Howe served two years as president of the Norway Country Club and was a member of the board of directors for eight years.

He and his wife, the former Donna Rice of Bethel, have two children, April and Alton II. Howe also has a son, Rodney, now serving as a sergeant in the USAF in Alaska.

It is hoped that parents will make every possible effort to pre-register their children in March so that they may benefit from the services offered at that time.

## MEETING OF S. A. D. 44 DIRECTORS POSTPONED TO MONDAY, MARCH 16

The meeting of the Board of Directors of School Administrative District 44 originally scheduled for March 9 has been postponed to Monday night, March 16, at Telstar Regional High School.

## INSPECTION OF BALLOTS REQUESTED IN BETHEL SCHOOL DIRECTOR ELECTION

It has been learned that Dr. James Hudson has requested an inspection of ballots cast in Monday's School Director election in Bethel.

A write-in candidate, Dr. Hudson finished a strong third in the initial ballot count. After polls closed Monday, results in the contest for two positions on the S. A. D. 44 board were announced as follows: John K. Brown, 32; Clarence Remington, 14; Dr. Hudson, 14; Dexter M. Stowell, 11; Rev. Richard Parker, 6.

After inspection of ballots scheduled for Monday afternoon, March 9, it is understood that any request for a recount must be made within three days.

## GOULD THEATRE ARTS PRESENTING "YUM YUM TREE" FRIDAY EVENING, MARCH 6

In charge of set design and stage crew is James Owen, assisted by Jim Ogg, Ted St. Pierre, Dave Hamre, Cathy Vogt, and Robin Church.

The public is cordially invited to this production of "Under the Yum Yum Tree."

## THREE WEBELOS SCOUTS ENJOY WINTER CAMP-OUT

On Friday, Feb. 27, Hi Berry and three Webelos Scouts, Allan Ryder, Kurt Brown and David Berry with heavy packs hiked from the "no road" into the former Bond property in Newry.

The camp site was located in a stand of fir trees. Fir boughs were laid on top of the snow and two small tents set up. The dead limbs provided excellent firewood for cooking the supper.

With the temperature in the low twenties, light snow fell most of the night. After an early breakfast, the gear was packed and tied on the packboards for the hike back to the highway. The boys learned that with some work and preparation they could survive nature's cold.

The Bethel Evening Extension will meet on Tuesday, March 10, for a 6:30 supper at Ruth Feeney's (formerly Violet Bennett's home) on Main Street. This is a "know your neighbor" meeting and the menu will feature Brazilian recipes. Supper expenses will be shared by those attending.

## 436 CAST BALLOTS IN ANNUAL MUNICIPAL ELECTION AT BETHEL ON MONDAY

—Voters Approve \$157,149 for Non-School Spending in Evening

In balloting at the Bethel Fire Station Monday, 436 eligible Bethel citizens cast their votes in the annual municipal election.

In the race for the one vacancy on the board of selectmen, Samuel Timberlake led John T. (Ted) Grover by three votes, 178 to 175. Walter G. Osgood received 17 votes and Charles P. (Phil) Taylor, 47.

For the accompanying post of assessor, Mr. Timberlake received 176 votes; Mr. Grover, 175; Mr. Osgood, 13, and Mr. Taylor, 46.

In the contest for two positions on the S. A. D. 44 board of directors, John K. Brown and Clarence Remington were elected to three year terms. Mr. Brown received 329 votes; Mr. Remington, 145; Rev. Richard L. Parker, 85; Dexter M. Stowell, 119, and as a write-in candidate, Dr. James Hudson, received 141 votes.

Mrs. Lillian P. Young received 422 votes for town clerk, and Roderick S. McMillin 421 for fire ward, in uncontested slots on the ballot.

The voters followed the recommendations of the budget committee with the exception of a token appropriation of \$1.00, at the annual business meeting at Telstar Regional High School Monday evening, with between 125 and 150 citizens attending. The token appropriation was for the Street Capital Improvement account which the budget committee eliminated as an economy move. Voters decided to accept a gift of \$2,000 from the Gould Academy trustees.

The selectmen were authorized to appoint a tree warden and an electrical inspector as well as to continue the shade tree committee.

A request for \$1,000 was approved to be expended in cooperation with the Soil Conservation District for improving the drainage of Sanding Brook principally in the area between Mason and Paradise Streets. Funds were included in the surface drains account to improve the course of Sanding Brook where it crosses Main Street.

Authorization was granted the selectmen to withdraw \$1,200 from the Revaluation Account to be used to pay for revision of property tax maps. It was also authorized by the voters to transfer ownership of the West Bethel Water System to the Bethel Water District.

After much discussion a town way extending 400 feet north of Paradise Road in the area between the residences of Ben Warner Jr. and Mrs. Stella Eames, was not accepted. It evidently was the feeling of the group that a better determination could be made at some future time when weather conditions would permit better and more complete inspection of the proposed way.

A proposed ordinance for the preservation and protection of Bethel that would prohibit commercial or industrial activity that would substantially and adversely affect the water and/or air environment of the town or destroy or adversely affect the historical sites or landmarks, was passed over 65 to 45.

Also passed over was an article that would have prohibited the sale, storage, use and disposal of DDT in Bethel after Jan. 1, 1971. Wilbur Myers served as moderator.

After adjournment of the annual meeting the board of selectmen held a short meeting. Avery Angevine was elected chairman for the ensuing year. Other board members are J. Jay Willard, James E. Hutchins, John K. Brown, and Samuel Timberlake. In other action the board re-named Elwyn N. Dickey as town manager.

As a result of Monday evening's meeting, \$157,149 was approved for municipal purposes. With the S. A. D. 44 obligation of \$300,503 and an estimated County tax of \$10,000, there are total town obligations of \$478,651. Subtracting \$35,000 to be taken from surplus and the Gould Trustees gift of \$2,000, there remains \$439,652 to be raised by taxation. Using 1969 valuation figures, this would indicate a 1970 tax rate of \$19 per thousand. Additional taxable property for the current year may alter this rate.

## ANDOVER-E. ANDOVER

—Mrs. Violet Swale, Correspondent—

**Housewarming**—On Feb. 28, Mr.  
and Mrs. Carl Harrigan were sur-  
prised by eight couples who arrived  
at their new home on the East An-  
dover Road. The party was planned  
by Mrs. Adelard Cayer assisted by  
Mrs. Leon Dunn. A gift was pre-  
sented to them from the group. The  
Harrigans had planned to attend  
a social function in Rumford with  
the Cayers and the Duns.

Mrs. Harrigan is a bookkeeper at  
the Andover Wood Products and Mr.  
Harrigan is a custodian at the An-  
dover Elementary School.

Attending were Mr. and Mrs. Roy-  
al Bolduc, Mr. and Mrs. Rossie  
Bisson, Rumford; Mr. and Mrs.  
Donald Stecher, Mr. and Mrs. Av-  
ery Angevine, Bethel; Mr. and Mrs.  
John Richardson, Mr. and Mrs. Ad-  
elard Cayer, Mr. and Mrs. Leon  
Dunn, and Alfred Marston, Andov-  
er; and Miss Linda St. Cyr, Rum-  
ford.

An error in the Congregational  
Church officers. It should have read  
Mr. and Mrs. John Ricker as the  
Stewardship Committee instead of  
Mr. and Mrs. John Richardson.

INSURANCE INSTITUTE URGES  
CAUTION WHEN VIEWING  
SOLAR ECLIPSE MARCH 7

If you are among the millions of  
New Englanders hoping to get a  
peek at the solar eclipse next Satur-  
day afternoon, be sure you don't  
try it from the driver's seat of a  
moving automobile, warns the In-  
surance Information Institute.

Tips for the eclipse include allow-  
ing yourself plenty of time to find  
an off-the-road parking place if  
you're traveling. Don't look directly  
into the sun or depend on sunglasses  
to keep you from being blinded by  
the glare.

Failure to follow simple precau-  
tions when viewing the coming  
spectacular can result in your own  
personal eclipse, whether it be total  
or partial. Grim traffic statistics  
show 55,400 persons killed and  
5,010,000 injured in automobile ac-  
cidents in 1969, a year when a so-  
lar eclipse could not be blamed for  
any deaths or injuries.

Mr. and Mrs. Randall Stevens spent  
the week end in Devon, Conn., at  
which time Kim and Mitch Parker  
returned home.

Mr. and Mrs. Dick Prescott spent  
the week end visiting Mr. and Mrs.  
J. Fred Prescott in Waterville and  
on Saturday attended homecoming  
day at Thomas College.

Guests of Mr. and Mrs. Randall  
Stevens on Wednesday were Mrs.  
Albert Johnson and Kathy of Bailey  
Island and Mrs. Arnold McLain,  
Carl and Paul, of Auburn.

Mrs. E. O. Donahue had as guests  
last week her grandchildren, Kathy,

## Letters to the Editor

Bethel, Maine  
March 3, 1970

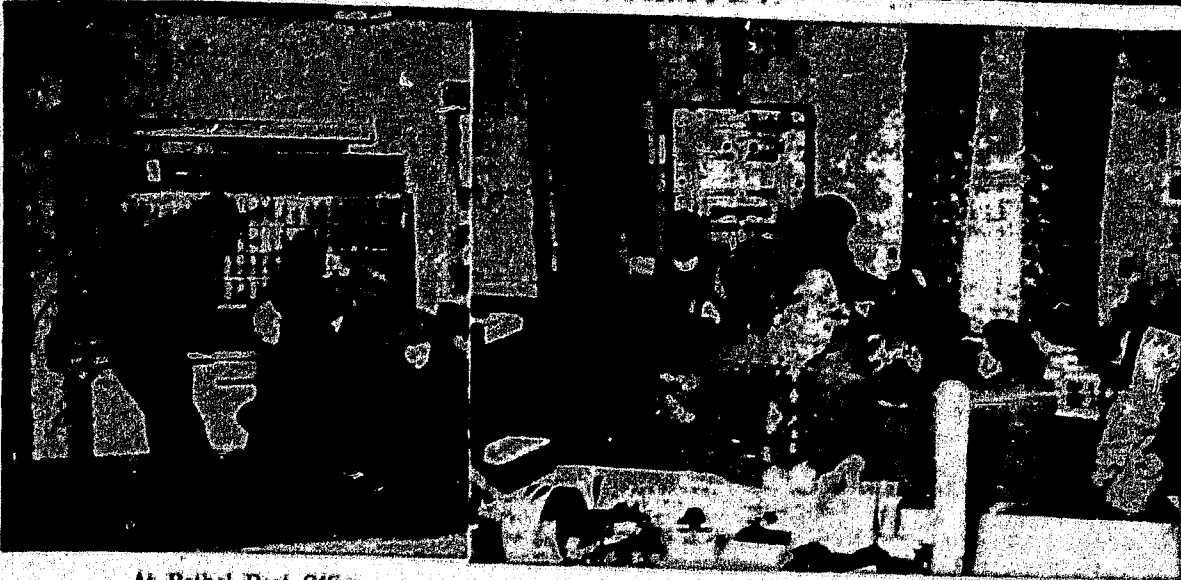

The Editor:  
The Bethel Citizen

Mrs. Mason's letter last week was  
of particular interest to me and to  
many Gilead readers. In passing, it  
seems that her admonitions to the  
Bethel electorate is an oblique at-  
tack on the school directors and the  
District educational system. As a  
member of the electorate as well  
as one of the "silent majority" it  
seems best for me to keep silent ab-  
out Bethel school affairs in this let-  
ter. However, as a general com-  
ment I would observe that the di-  
rectors and their leader, the Super-  
intendent, are pushed and hauled by  
conflicting forces in a continuing  
tug of war within the community and  
within the State. Their task is not  
easy; to resolve the issues raised  
by opposing philosophies of educa-  
tion.

But with respect to Mrs. Mason's  
recollection of Gilead's role in the  
unfolding drama of community edu-  
cation, "let's look at the record,"  
as Al Smith used to say. Since 1961  
Gilead has maintained no school.  
The building of a new school, with  
an average enrollment of 26 in six  
grades, in those changing times, was  
not only ridiculous, it was impos-  
sible. It never was a question of  
"Ince". When Mrs. Mason suggests  
Gilead could have a "similar build-  
ing" (meaning, we presume, a  
\$1 million-plus duplicate of Telstar)  
she has to be kidding. I recall when  
the replacement of even the school  
'necessary' by modern plumbing  
was found to be unwise. So Gilead  
sent its children to Bethel and  
paid tuition, and paid the Union Su-  
perintendent a substantial sum to  
make out the bi-monthly warrant for  
expenditure of school expenses.

When the matter of a school dis-  
trict in the area came up later Mrs.  
Mason supported the concept with  
vigor. She even said that if Gilead  
didn't join, the State would, in time,  
force the issue. And when Bethel  
tuition rates and per-pupil costs  
were questioned for being too high  
for Gilead, she rose to Bethel's de-  
fence. And when the Gilead chil-  
dren, still later, were sent to near-  
by schools in Gorham, N. H., Mrs.  
Mason fought like an enraged ti-  
gress: first, to prevent it; second,  
to have them returned to Bethel.  
The following year she had her  
way and Gile

# **FIRST GRADE, BISBEE SCHOOL VISITS SEVERAL LOCATIONS IN "COMMUNITY HELPERS" STUDY**

During the month of February, the first graders at the Bethel Bisbee School have been visiting several places in town in connection with their social studies unit on Community Helpers.

One Monday morning, the children took their school banking to

the Bethel Savings Bank. They saw the safe where the money is kept and found out what happens to their banking envelopes. Each child received a penny and a calendar.

One morning, they went to the Bethel Post Office and "helped" bring the mail bags in. They saw the mail sorted and how their mail is delivered.

Last Wednesday, they went to the

Bethel IGA store. There they went into the deep freezer and also the meat freezer. They saw the meat cut and wrapped. The children were very impressed with the compressors that keep the coolers and freezers running.

Mrs. Gaudreau and Mrs. Gould wish to thank the people at the bank, post office, IGA store and the mothers for their help in making this project a meaningful experience.

The guidance department has received many notices of unique summer programs in just about every state in the country for high school students. Each summer, for example, the National Science Foundation offers college-level programs in biology, economics, mathematics, and physics to students completing their junior year in high school. These programs vary in length from five to eleven weeks. The cost of instruction is paid by the National Science Foundation, but the student must pay expenses for room, board and travel. For students who cannot meet these expenses, financial help is available. More information on summer programs is available in the guidance office.

## WINTER CARNIVAL

Had you visited Telstar High School Feb. 20, you would have found strange activities. By strange I mean activities like pie eating, snow shoe races and basketball games. For that Friday was Telstar's Activities day. Winter Carnival Queen Betty Rice presided over the coronation and dance. A week's setback was caused by poor weather, so the Carnival was the 20th.

The seniors proved winners in basketball despite strong competition from the eighth grade.

The champion pie eater was Dean Murphy a Junior.

Two plays, "The Goodbye" and "The Leader" followed.

The Juniors won the tug of war. In the afternoon the classes competed in outdoor events, after which everyone returned to home room and awarded the final tally of points. It turned out much to their delight, the Juniors were winners of the overall Carnival Congratulations.

Winter Carnival at Telstar was a success this year and promises to be a big event in upcoming years.

## LOCKE MILLS

Mrs. John Mills, Corres. — Cob Scout Awards given for the month of February were: Geoffrey Goodson, Wolf Badge; Gary Dunham, Fox Badge; Brent Dunn, Fox Badge; and Arnel Dodge, Michael Swan, Fox Badge.

The Pack meeting this month was an event, a real good time thing. The boys brought the results of their "Gems Kits" and they explained what they had made. These were works of pure art. A Blue and Gold Banquet, was enjoyed with cake, cookies and punch served as refreshments. The cake was decorated as a birthday cake to celebrate the birthday of Scouting. Games were played, patterned in the "Beat the Clock" style. First, it was Scouts

vs. Scouts then the top Scout Team challenged the parents. This month's theme, Craftsmanship, was discussed and plans made. Kites and a Kite Derby figure big in the Cob Scouts' plans for March.

On Tuesday, Feb. 24, Brent Gilbert of West Bethel, spent part of the day visiting Bruce Swan.

Mrs. Roseanna Dunham had some of her grandchildren with her this last week: Debbie, Alan, and Gary. Each had a turn but Brian was sick with the flu. These are children of Mr. and Mrs. Herbert Dunham, Rowe Hill.

# GRADES 5-6 PROJECT IN SOCIAL STUDIES FEATURES MAINE'S SESQUICENTENNIAL

We started our study by drawing a free-hand outline map of the state of Maine from memory. The maps were a variety of shapes. After our study, we drew one showing that we had a much better picture of our state.

We made an outline map of the counties. On separate maps we located rivers, lakes, size (length, width, area), cities (including county and code number and letters from the margin of a road map for location), colleges (with key), mountains (with key), animals, locations of important industries and the manufactured products, farm products, and tourist attractions.

Descriptive statements were chosen concerning famous Maine people. On an outline map their home or a museum honoring them were located.

A map of the New England States was made comparing each one with Maine in area and population.

Maps were made of Maine Indian tribes and early explorers and settlements.

We have a copy of the words and music of the State of Maine song. Newspaper clippings of current Maine happenings were collected.

We made a booklet with an appropriate cover for all of this material.

Fifteen pupils became able to recite the counties in alphabetical order.

Grade 5 worked on a bulletin board display showing "Maine-by-the-sea"; Grade 6, "Maine-on land" and "Maine History."

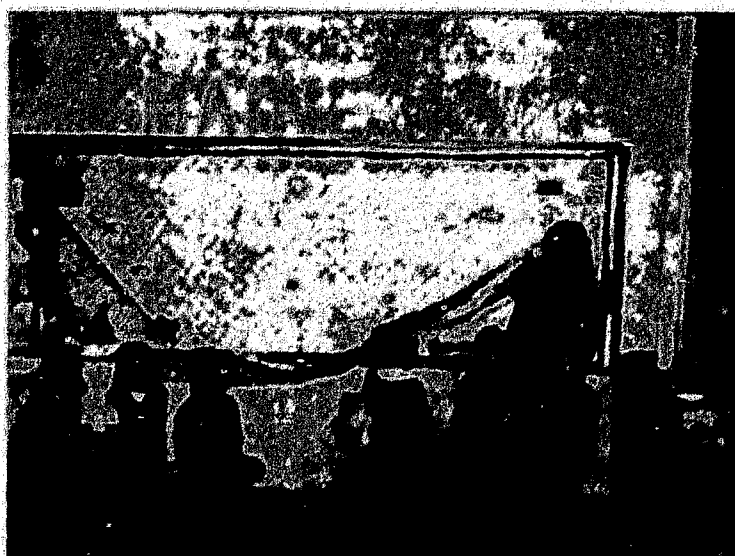

Bibliography — Maine History by Marion M. Bagley; Facts About Maine; Road Maps; Maine Registers; Encyclopedias; Library Books.

MANY OLD TIMERS ARE STILL AROUND

New and powerful miracle drugs form the basis for most of the news we hear about advances in health care. But, there are still a great many medicines being prescribed that have withstood the passage of time. Penicillin, digitalis, sulfur, and ephedrine are just a few that are frequently prescribed by physicians.

These drugs, day in and day out, are saving lives, curing illnesses and alleviating pain. As long as they are considered effective they will continue to occupy a prominent place in our prescription laboratory.
